Re: 2011-2012 School Supplies

Dear Russell Parent/Guardian:

I am contacting you via letter to report that our school has been blessed by a very generous donation. Real Life OTP church has come forward to say they will purchase **all of the classroom school supplies** needed for the upcoming school year for each student at Russell Elementary. You will **not** have to purchase school supplies for the 2011-12 school year.

The supply lists that have been sent home and published on the school website will now be **unnecessary** because of this donation. If you wish to send a thank you or let Real Life OTP church know in some way you appreciate their generosity, here is their contact information:
