**The September 11 attacks (called September 11, September 11th or 9/11)**, were a series of four coordinated suicide attacks against targets in New York and Washington, D.C. on September 11, 2001. On that morning, 19 al-Qaeda terrorists hijacked four passenger jets. The hijackers intentionally crashed two planes into the Twin Towers of the World Trade Center in New York City; both towers collapsed within two hours. Hijackers crashed a third plane into the Pentagon in Arlington, Virginia. When passengers attempted to take control of the fourth plane, United Airlines Flight 93, it crashed into a field near Shanksville, Pennsylvania, preventing it from reaching its intended target in Washington, D.C. Nearly 3,000 died in the attacks.

**We shall never forget  
We shall keep this day,  
We shall keep the events and the tears  
In our minds, our memory and our hearts  
and take them with us as we carry on.**
